

CURRICULUM VITAE

NAME: PETER A. RAPOZA, M.D., F.A.C.S.

OFFICE ADDRESS: Ophthalmic Consultants of Boston
50 Staniford Street, Suite 600
Boston, MA 02114

DATE OF BIRTH: September 6, 1956

PLACE OF BIRTH: New Bedford, MA

EDUCATION:

1978	B.A.	With Distinction, Biological Sciences, Northwestern University, Evanston, IL
1982	M.D.	With Honors, Pritzker School of Medicine, University of Chicago, Chicago, IL
1986-1987	MS	candidate, Department of Preventive Medicine and Epidemiology, University of Wisconsin, Madison, WI

POSTDOCTORAL TRAINING

1982-1983	Internal Medicine, University of Chicago Hospitals and Clinics, Chicago, IL
1983-1986	Ophthalmology, Wilmer Ophthalmological Institute, Johns Hopkins University, Baltimore, MD
1986-1987	Cornea & External Disease, Department of Ophthalmology, University of Wisconsin, Madison, WI

LICENSURE AND CERTIFICATION

1983	Maryland
1986	Wisconsin
1988	American Board of Ophthalmology
1992	Massachusetts
1994	Kenya

ACADEMIC APPOINTMENTS

1986-1987	Clinical Instructor, Department of Ophthalmology, University of Wisconsin, Madison, WI
1987-1992	Assistant Professor, Department of Ophthalmology, University of Wisconsin, Madison, WI
1993- present	Assistant Professor of Ophthalmology, part-time, Harvard Medical School, Boston, MA

HOSPITAL APPOINTMENTS

1986-1992	Active Staff	University of Wisconsin Hospital, Madison, WI
1987-1992	Active Staff	Hess Memorial Hospital, Mauston, WI
1992-1993	Active Staff	Lawrence General Hospital, Lawrence, MA
1992-1998	Courtesy Staff	Holy Family Hospital and Medical Center, Methuen, MA
1992- present	Associate Staff	Massachusetts Eye and Ear Infirmary, Boston, MA
1994- 2000	Provisional Staff	Newton-Wellesley Hospital, Newton, MA
1994-present	Associate Staff	Beverly Hospital, Beverly, MA
1994-2013	Courtesy Staff	Anna Jaques Hospital, Newburyport, MA
1996- present	Associate Staff	Tufts Medical Center, Boston, MA
1998- present	Clinical Associate in Surgery	Massachusetts General Hospital Boston, MA

OTHER PROFESSIONAL POSITIONS

1986-1987	Consultant	Helen Keller International, New York, NY
1986-1987	Consultant	Ministry of Health, Tanzania
1987-1992	Consultant	Ministry of Health, Kenya
1990-1992	Consultant	Ministry of Health, Indonesia
1995- present	Consultant	Ministry of Health, United Arab Emirates

AWARDS AND HONORS

1975	Phi Eta Sigma Honor Society, Northwestern University
1978	Phi Beta Kappa, Alpha of Illinois, Northwestern University
1979	Roesing Cancer Fellowship, Pritzker School of Medicine, University of Chicago
1981	Merck Manual Award, presented by the Pritzker School of Medicine, University of Chicago, and Merck, Sharp & Dohme, for overall most outstanding performance during required clinical clerkships
1982	Joseph A. Capps Award, presented by the Pritzker School of Medicine, University of Chicago, for proficiency in clinical medicine
1982	Alpha Omega Alpha, Pritzker School of Medicine, University of Chicago
1986	Fellowship Award, presented by the Heed Ophthalmic Foundation, Chicago, IL
1989	Outstanding Faculty Contribution to Residency Education, presented by the Department of Ophthalmology Resident Staff, University of Wisconsin-Madison.
1997	Honor Award, American Academy of Ophthalmology
2002-2007	Top Doctors in America (Woodward/White)
2002-2007	Top Doctors in Boston (Boston Magazine)
2008-2014	Trusted LASIK Surgeons™ (Top 1% of LASIK/cataract MD's in U.S.)
2001-2014	Best Doctors in America®
2014	Top Doctors in America (Castle Connolly)

MAJOR HOSPITAL COMMITTEE ASSIGNMENTS

1990-1992	Operating Room Committee, University of Wisconsin
1995-1997	Committee on Keratorefractive Surgery, Massachusetts Eye and Ear Infirmary
1995-1997	Operating Room Committee, Beverly Hospital/Hunt Center

MEMBERSHIPS, OFFICES & COMMITTEE ASSIGNMENTS IN PROFESSIONAL SOCIETIES

1983- present	Wilmer Residents Association
1984- 2000	Association for Research in Vision and Ophthalmology
1984- present	Ocular Microbiology and Immunology Group
1985-1991	American Medical Association
1987- present	American Academy of Ophthalmology
1987- present	Society of Heed Fellows
1987-1992	Wisconsin Ophthalmological Society
1990- present	Fellow, American College of Surgeons

1993-1995	Keratorefractive Surgery Study Group
1993- present	Massachusetts Medical Society
1993- present	MA Society of Eye Physicians and Surgeons Board Member at-Large (2013-present)
1995- present	New England Ophthalmological Society
1995-2002	Preferred Practice Plan Committee, Cornea/External Disease Panel, AAO

MAJOR RESEARCH INTERESTS

1. Refractive surgery
2. Corneal transplantation
3. Application of new therapies for ocular disease
4. Infectious diseases
5. Ocular surface disorders

RESEARCH FUNDING INFORMATION

<u>1988-1990</u>	PI	Ciba-Geigy: "Efficacy and safety of diclofenac ophthalmic solution in giant papillary conjunctivitis"
<u>1989-1992</u>	PI	Gen-Probe: "Efficacy of diagnostic tests for chlamydial conjunctivitis"
	PI	Kallestad Diagnostics: "Efficacy of diagnostic tests for chlamydial conjunctivitis"
	PI	Chiron Ophthalmics: "Efficacy and safety of fibronectin ophthalmic solution in keratoconjunctivitis sicca"
	Co-PI	National Eye Institute: "Collaborative Corneal Transplant Studies"
	Co-PI	Edna McConnell Clark Foundation: "Immunology of chlamydial ocular infections"
	PI	University of Wisconsin, Department of Ophthalmology: "Association of hormonal status and aqueous tear deficiency"
<u>1990-1992</u>	Co-PI	Bausch & Lomb, Inc.: "Safety and efficacy evaluation of artificial tear lubricant for dry eye conditions"

	Co-PI	Sandoz Pharmaceuticals: "Cyclosporin for corneal transplant rejection"
	PI	University of Wisconsin, Department of Ophthalmology: "Association of hormonal static and aqueous tear deficiency"
<u>1991-1992</u>	PI	Sandoz Pharmaceuticals: "Cyclosporin for keratoconjunctivitis sicca"
	PI	National Eye Institute: "Collaborative Corneal Transplant Studies"
<u>1992-1993</u>	PI	Pharmaceutical Development Associates: "Safety and efficacy of yellow mercuric oxide in blepharitis"
<u>1993</u>	Co-PI	Allergan Pharmaceuticals: "Bacterial keratitis study group"
	Co-PI	Glaxo: "Safety and efficacy of Gallardin in corneal ulcers"
	Co-PI	Chiron-Intraoptics: "Evaluation of radial and astigmatic keratotomy"
<u>1995</u>	Co-PI	Allergan Pharmaceuticals: "Cyclosporin in keratoconjunctivitis sicca"
<u>1996-1997</u>	Co-PI	Storz Ophthalmics, Inc: "Safety and Efficacy of Topical Cidofovir for Viral Epidemic Keratoconjunctivitis"
	Co-PI	Storz Ophthalmics, Inc: "Safety and Efficacy of Topical Cidofovir for Herpes Simplex Epithelial Keratitis"
	Co-PI	Smithkline Beecham Pharmaceuticals: "Safety and Efficacy of Famciclovir for Herpes Zoster Ophthalmicus"
<u>1997-1998</u>	Co-PI	VISX: "Excimer Laser Photorefractive Keratectomy for Hyperopia"
	PI	Allergan Pharmaceuticals: "Cyclosporin in keratoconjunctivitis sicca"
<u>1998-1999</u>	Co-PI	Sinsky Eye Institute: "Safety and efficacy of Hyperopic LASIK"

<u>2003</u>	PI	Safety and efficacy of epithelial growth factor as an adjunct to wound healing in corneal refractive surgery and corneal transplantation
	PI	ISTA Pharmaceutical: "Safety and efficacy of topical NSAID following phacoemulsification"
<u>2004</u>	PI	ISTA Pharmaceutical: "Evaluation of Vitrase as an Adjuvant to Increase the Absorption and Dispersion of Other Injected Drugs Prior to Ocular Surgery"
	PI	ISTA Pharmaceutical: "Penetration of Novel Steroids into the Anterior Chamber Following Topical Instillation"
	PI	INSITE VISION: "A Study to Evaluate the Clinical and Microbiological Efficacy and Safety of 1.0% Azasite Compared to Vehicle in the Treatment of Bacterial Conjunctivitis"
<u>2005-7</u>	PI	ALLERGAN: „Safety and efficiency of Restasis in Intralase surgery“
	PI	BAUSCH&LOMB: „A Study to Evaluate the Clinical and Microbial Efficacy Of 0.6% ISV-403 compared To Vehicle In The Treatment Of Bacterial Conjunctivitis“
	PI	ISTA Pharmaceutical: „Efficiency and Safety of Topical Bromfenac Ophthalmic Solution 0.18% vs. Placebo for Treatment of Ocular Inflammation and Pain Following Cataract Surgery“
<u>2013-14</u>	Sub-PI	NIH: "Corneal Preservation Transplantation Study"
	Sub-PI	Avedro: A Multi-Center, Randomized, Controlled Evaluation of the Safety and Efficacy of LASIK with Cross-linking Performed with the KXL System and Photrexa ZD™ (Riboflavin Ophthalmic Solution) Compared to LASIK Alone for Hyperopia and Hyperopic Astigmatism
	PI	Icon: A Phase 3, Prospective, Randomized, Double-masked, Placebo-controlled, Parallel-design, Multicenter Study to Evaluate the Efficacy and Safety of IBI-10090 for the Treatment of Inflammation Associated with Cataract Surgery

PRINCIPAL CLINICAL AND HOSPITAL SERVICE RESPONSIBILITIES

1986-1992	Cornea and External Disease Service, University of Wisconsin, Madison, WI
1987-1992	Co-Director, Trauma Service, University of Wisconsin, Madison, WI
1990-1992	Director, Cornea and External Disease Service, University of Wisconsin, Madison, WI
1992-1994	Cornea Service and Keratorefractive Surgery Unit, MEEI, Boston, MA

SELF REPORT OF TEACHING

1. Local Contributions

a. Medical School Courses

1986-1992	Participated in and/or organized medical school lecture courses in ophthalmology at the University of Wisconsin School of Medicine.
2012-present	Participated in Harvard Medical School Introduction to Ophthalmology Course.

b. Hospital Courses and Invited Teaching Presentations

1986-1992	Participated in numerous courses at the University of Wisconsin. Organized lecture series and lectured for the Department of Ophthalmology residency program. Organized ophthalmology lectures series and clinical rotations and lectured for the Departments of Family Medicine and Practice, Internal Medicine, and the Physicians' Assistant Program.
1993	Conjunctivitis. 40 participants. Preparation time: 8 hours. Contact time: 1 hour. Conjunctivitis, Keratitis, Immune-Mediated External Ocular Disorders, Cataract Extraction, Keratorefractive Surgery. Harvard Intensive Review of Ophthalmology. 100 participants. Preparation time: 12 hours. Contact time: 3 hours. Introduction to Keratorefractive Surgery. New England College of Optometry. About 100 participants. Preparation time: 16 hours. Contact time: 3 hours.

Conjunctivitis and Keratitis. New England College of Optometry. About 100 participants. Preparation time: 4 hours. Contact time: 2 hours.

1994

Cataract Surgery, Corneal Transplantation and Surgery of the Ocular Surface. New England College of Optometry. 40 participants. Preparation time: 12 hours. Contact time: 3 hours.

Advances in Anterior Segment Surgery. New England Council of Optometry. 200 participants. Preparation time: 6 hours. Contact time: 1 hour.

Conjunctivitis. New England Eye Center. 15 participants. Preparation time: 4 hours. Contact time: 1 hour.

Conjunctivitis, Keratitis, Immune-Mediated External Ocular Disorders, Cataract Extraction, Keratorefractive Surgery. Harvard Intensive Review of Ophthalmology. 100 participants. Preparation time: 12 hours. Contact time: 3 hours.

Medical and Surgical Management of Ocular Chemical Burns. New England Eye Center. 20 Participants. Preparation time: 2 hours. Contact time: 1 hour.

Update: Cornea and External Disease. Anna Jaques Hospital. 50 participants. Preparation time: 4 hours. Contact time: 1 hour.

Corneal Dystrophies. New England Eye Center. 20 participants. Preparation time: 3 hours. Contact time: 1 hour.

1995

Advances in Anterior Segment Surgery. New England Council of Optometry. 200 participants. Preparation time: 6 hours. Contact time: 1 hour.

Conjunctivitis, Keratitis, Immune-Mediated External Ocular Disorders, Cataract Extraction, Keratorefractive Surgery. Harvard Intensive Review of Ophthalmology. 100 participants. Preparation time: 12 hours. Contact time: 3 hours.

Ophthalmology in Developing Countries. New England Eye Center. 20 participants. Preparation time: 4 hours. Contact time: 1 hour.

Conjunctivitis. New England Eye Center. 20 Participants. Preparation time: 3 hours. Contact time: 1 hour.

Eye Infections of Children. Beverly Hospital. 40 Participants. Preparation time 3 hours. Contact time: 1 hour.

Corneal Transplantation. New England Eye Center. 20 participants. Preparation time: 3 hours. Contact time: 1 hour.

Corneal Transplantation. Massachusetts Eye and Ear Infirmary. 40 participants. Preparation time: 1 hour. Contact time: 1 hour.

1996

Conjunctivitis & Keratitis. Harvard Intensive Review of Ophthalmology. 100 participants. Preparation time: 8 hours. Contact time: 2 hours.

Current Concepts in Cornea and External Disease. New England Council of Optometry. 100 participants. Preparation time: 6 hours. Contact time: 1 hour.

1997

Conjunctivitis & Keratitis. Harvard Intensive Review of Ophthalmology. 100 participants. Preparation time: 8 hours. Contact time: 2 hours.

Current Concepts in Cornea and External Disease. New England Council of Optometry. 100 participants. Preparation time: 6 hours. Contact time: 1 hour.

Conjunctivitis & Keratitis. Osler Institute Review of Ophthalmology. 100 participants. Preparation time: 8 hours. Contact time: 2 hours.

2002

Update on Corneal Transplantation. New England Eye Institute. 24 participants. Preparation time: 2 hours. Contact time: 1 hour.

- 2004 IntraLASE: Application of the Femtosecond Laser to Laser Vision Correction, New England Medical Center, Boston, MA. 20 Participants. Preparation time: 4 hours. Contact time: 1 hour.
- 2007 Management of LASIK Complications. New England Medical Center, Boston, MA. 20 Participants. Preparation time: 4 hours. Contact time: 1 hour.
- 2009 iLASIK; Management of LASIK Complications. Approach to Laser Vision Correction. New England Medical Center, Boston, MA. 20 Participants. Preparation time: 8 hours. Contact time: 2 hours.
- 2010 Conjunctivitis and Keratitis Update. New England Medical Center, Boston, MA: 20 participants. Preparation time: 4 hours. Contact time: 1 hour.
- 2011 Management of Ocular Trauma and Management of LASIK Complications. New England Medical Center, Boston, MA: 20 participants. Preparation time: 4 hours. Contact time: 1 hour.
- 2012 Conjunctivitis and Keratitis Update. New England Medical Center, Boston, MA: 20 participants. Preparation time: 4 hours. Contact time: 1 hour.
- 2013 Management of Ocular Trauma and Management of LASIK Complications. New England Medical Center, Boston, MA: 20 participants. Preparation time: 4 hours. Contact time: 1 hour
- Management of Ocular Trauma and Management of LASIK Complications for Optometrists. New England College of Optometry, Boston, MA: 80 participants. Preparation time: 4 hours. Contact time: 1 hour
- 2014 Conjunctivitis and Keratitis Update. New England Medical Center, Boston, MA: 20 participants. Preparation time: 4 hours. Contact time: 1 hour.

c. Advisory and Supervisory Responsibilities

- 1986-1992 Supervised 1 or 2 ophthalmology residents, 1 or 2 fellows and numerous medical students, internal medicine and family practice residents in clinical ophthalmology at the University of Wisconsin.
- 1993- present Supervised research fellows and had ongoing contact with the clinical fellows of the Cornea Service of Tufts Medical Center. Supervised medical students rotating through ophthalmology electives from Harvard Medical School and Tufts Medical School.

2. Regional, National or International Contributions

a. Invited Presentations

- 1986-1992 Lectured extensively for regional, national and international meetings on the topics of cornea and external disease and keratorefractive surgery.
- 1993
- Lecture: Transscleral-Sutured Posterior Chamber Intraocular Lenses
New England Ophthalmological Society
 - Lecture: Introduction to Keratorefractive Surgery; Conjunctivitis
New Hampshire Optometric Society
 - Course: Keratorefractive Surgery
Alcon Surgical and Cornea Consultants
 - Lecture: Management of High-Risk Corneal Transplantation
New England Ophthalmological Society
 - Course: Keratorefractive Surgery
Massachusetts Eye and Ear Infirmary
 - Course: Cornea and External Disease
Hopitale Militaire, Bogota, Columbia
 - Course: Cornea and Anterior Segment: Advanced Surgical Techniques
American Academy of Ophthalmology

Visiting Professor

Department of Ophthalmology
Dalhousie University, Nova Scotia, Canada

Lecture: Fluoroquinolones in Ophthalmology
Allergan Pharmaceutical for a companion
meeting to the New England Ophthalmological
Society.

1994

Visiting Professor

Department of Ophthalmology
University of Nairobi, Nairobi, Kenya

Course: En Cirugia Refractiva Y Topografia Corneal
Servicio de Oftalmologica, Hospital
Universitario del Valle, Cali, Colombia

Lecture: Medical and Surgical Management of
Ocular Chemical Burns
National Eye Trauma Symposium
New England Eye Center, Boston, MA

Lecture: Update on Cornea and External
Diseases
Moderator for morning sessions.
Ocular Symposium, Boston, MA

Course: Cornea and Anterior Segment: Advanced
Surgical Techniques
American Academy of Ophthalmology

Course: Phacoemulsification and Small Incision
Cataract Implant Surgery

Lecture: Management of Iris Prolapse and Capsular
Tears
Massachusetts Eye and Ear Infirmary
Boston, MA

1995

Lecture: Surgical Management of Pterygium
New England Ophthalmological Society
Boston, MA

Lecture: Update on Cornea and External Diseases
Moderator for morning sessions.
Ocular Symposium, Boston, MA

- Lectures: Update on Herpes Simplex Keratitis;
Treatment of Herpes Zoster Ophthalmicus
Update on Ocular Infectious Disease
New England Eye Center
Boston, MA
- Course: Cornea and Anterior Segment: Advanced
Surgical Techniques
American Academy of Ophthalmology
- 1996 Lecture: Update on Cornea and External Diseases
Moderator for morning sessions.
Ocular Symposium, Boston, MA
- Lecture: Selecting the “Right” Keratorefractive Surgical
Procedure
New England Ophthalmological Society
Boston, MA
- Course: Photorefractive Keratectomy
PERG (Physicians Educational Resource
Group) Monterrey, MEXICO
- 1997 Symposium: Refractive Surgery Moderator
Lecture: LASIK
New England Ophthalmological Society
Boston, MA
- Visiting Professor:
Ministry of Health, United Arab Emirates
Course: “Phacoemulsification”
- Lecture: Refractive Surgery Update
Lecture and Moderator
Ocular Symposium, Boston, MA
- 1998 Lecture: Conjunctivitis, Keratitis & Refractive Surgery
Eyesight 20/20, Natick, MA
- Lecture: Conjunctivitis, Keratitis & Refractive Surgery
New Hampshire Optometric Society
North Conway, NH
- Symposium: Refractive Surgery Moderator
New England Ophthalmological Society

- Boston, MA
- 1999
- Lecture: Refractive Surgery Update
Lecture and Moderator
Ocular Symposium, Boston, MA
- Lecture: Current Concepts in Refractive Surgery
Lecture and Moderator
Ocular Symposium, Boston, MA
- Course: Hyperopia and Presbyopia
American Academy of Ophthalmology
Orlando, FL
- Lecture: Refractive Surgery Update
Lecture and Moderator
Ocular Symposium, Boston, MA
- 2000
- Course: Hyperopia and Presbyopia
American Academy of Ophthalmology
Dallas, TX
- Lecture: Refractive Surgery Update
Lecture and Moderator
Ocular Symposium, Boston, MA
- 2001
- Lecture: Refractive Surgery Update
Lecture and Moderator
Ocular Symposium, Boston, MA
- 2002
- Visiting Professor
- Lectures: Management of LASIK Complications; Current
Concepts in Corneal Transplantation
California Pacific Medical Center
San Francisco, CA
- Lecture: Current Concepts in Corneal Transplantation
Lecture and Moderator
Ocular Symposium, Boston, MA
- 2003
- Lecture: IntraLASE for Refractive Surgery
New England Ophthalmological Society
Boston, MA
- Lecture: IntraLASE for Refractive Surgery
Lecture and Moderator

- Ocular Symposium, Boston, MA
- Lecture: IntraLASE for Refractive Surgery
Nantucket Cornea
Nantucket, MA
- Lecture: How to Evaluate a Claimant with Visual
Impairment and Interpret the Report
National Organization of Social Security
Claimants, Chicago, IL
- 2004
- Lecture: Cataract Surgery after LASIK
New England Ophthalmological Society
Boston, MA
- Lecture: IntraLASE: Application of the Femtosecond
Laser to Laser Vision Correction
Wilmer Ophthalmological Institute Annual
Meeting, Baltimore, MD
- 2005
- Lecture: Advances in the treatment of Dysfunction Tear
Syndrome
New England Ophthalmological Society
Boston, MA
- Lecture: Advances in Anterior Segment Therapies
New England Professional Conferences
Marlborough, MA
- 2006
- Lecture: Management of Flap Striae
American Society of Cataract and Refractive
Surgery
Boston, MA
- Lecture: Fun and Fast LASIK
American Society of Cataract and Refractive
Surgery
Boston, MA
- Lecture: Application of NSAIDS in Ophthalmology
American Society of Cataract and Refractive
Surgery
Boston, MA
- Lecture: Management of Flap Complications
Nantucket Cornea

		Nantucket, MA
	Lecture:	NSAIDS for the Anterior Segment Surgeon Nantucket Cornea Nantucket, MA
2007	Lecture:	NSAIDS for the Anterior Segment Surgeon New York Intraocular Lens Society New York, NY
	Lecture:	Management of Flap Complications New York Intraocular Lens Society New York, NY
2010	Lecture:	A Comprehensive Approach to the Evaluation and Treatment of Keratitis and Conjunctivitis Massachusetts Optometric Society Marlborough, MA
	Lecture:	Refractive Surgery Update 2010 Eyesight 20/20 Marlborough, MA
2012	Lecture:	Management of Ocular Trauma and Management of LASIK Complications. New England Ophthalmological Society, Boston, MA
